

Wiggle Waggle Workshop™ 3  
Magical Wishes

## Parents' Guide – Worksheet 1 Magical Wishes

### Using This Worksheet

This Worksheet comprises 1 **Big Quiz** activity in 2 parts.

With this page to hand, guide your child to answer the questions, helping where necessary.

Don't worry if he/she doesn't know all the answers first time – if he/she is enjoying themselves, they will want to try again in the future.

### **Activity**

### **Big Quiz- Venn Diagram**

#### AIMS:

- To begin understanding some of the concepts of Venn diagrams (sets, classes, comparisons, intersecting portion, similarity, difference, characteristics).  
(Obviously you will not be using these terms, the aim is to experience a Venn diagram using familiar images in a simple form)
- To begin to understand that a diagram is a useful tool for organising thoughts.
- To practice counting and colour recognition skills

#### **Questions:**

1. What is in the **pink** hoola hoop?
2. What is in the **blue** hoola hoop?
3. How many **ballerinas** are there?
4. How many **pairs of ballet shoes** are there? (you may need to explain 'pairs')
5. What can you find that is in **both** the blue and the pink hoola hoop?
6. What can you find something magical that are **not in either** the blue or pink hoop? (answer: magic wands!)
7. And how many of those magical things are there?
8. Can you **draw a circle** around **2** of the dancers?

### **Activity**

### **Big Quiz – Sleepy Baby**

#### AIMS:

- To use knowledge and understanding of the World to make decisions about what the Sleepy Baby needs.

#### **Look at the Sleepy Baby – I've got some questions now about him...**

1. What can you find that he might like to drink when he is thirsty?
2. What noisy thing can you find that might wake him up in the morning?
3. What can you find that he might cuddle to help him go to sleep?
4. What pretty thing can you find that he might watch fluttering past his window?
