

# Wiggle Waggle World TROPICAL LANDS

Draw a line to join the matching fruit together.  
Do you know their fruity names?

Join the dots to finish the tree.

**HEALTHY CHALLENGE:**  
Try a new fruit this week.  
Better still – why not send a photo of you enjoying your fruity snack.  
We'll publish each one on Wiggle Waggle World!

**ACTIVITY – THE LIMBO STICK**

- Find a suitable limbo stick – try a broom handle or even a garden cane.
- Have 2 helpers holding the ends.
- Encourage your child to bend (never backwards) or crouch lower and lower to pass underneath, as you lower the stick.
- When it becomes really low, slither like a jungle snake “Ssssss”. Try jumping over!

*Handwriting time - P is for Palm Tree.*  
Show your child how to form the first letter.  
Encourage him/her to try the others.  
Don't forget - you can come back all week to print another page, for more practice.
